

## Welcome to Real Time Recruiting

At Real Time Recruiting, Inc., we are not simply another recruiting company placing people in the IT industry. We believe we are in the business of changing people's lives &ndash; we call it destiny technology.

With over 10 years of recruiting experience in the Real Time Software, Embedded OEM Systems, Software Development Tools, Modeling & Simulation, Networking, Semiconductor, IP and EDA industries, we have successfully placed hundreds of sales and marketing professionals with the industry's leading players.

Whether you are a sales professional seeking a new position or an industry client looking to hire a top performer, you'll find us uniquely able to meet your needs throughout the US, Canada and Europe - with real time results.

We build the global leadership capital IT companies need to grow and prosper, while giving IT professionals the timely market information they need to make intelligent decisions which ultimately will affect their careers and destinies.
